*The "Beat the Heat Sales Event" applies for the purchase of a home from Coventry or Wilshire Homes in the Austin Metropolitan area with an original contract purchase date of July 1, 2020 through August 31, 2020. After the loan closing on the home, Coventry or Wilshire Homes will pay \$3,000 ("Electric Credit") to the homebuyer's electricity service provider. The homebuyer must use Austin Energy, Pedernales Electric Coop, Reliant Energy or Bluebonnet Electric only. Only one electric service provider may be available. The prepayment amount is based on calculations for the estimated annual energy usage for a two story home with 3,000 square foot of air-conditioned space. All calculations are estimates and are not guarantees that the actual amount of energy used and the associated cost for 2-years will be equal to the electricity credit provided. The promotion is not available on Coventry Homes 'Build on Your Lot' purchases and may not be available in conjunction with other promotions, price discounts or incentives. Other terms and conditions may apply. See the Community Sales Counselor for more details.
