EQUAL HOUSING OPPORTUNITY

*The "Beat the Heat Sales Event" applies for the purchase of a home from Coventry Homes or Plantation Homes in the DFW Metropolitan area with an original contract purchase date of July 3 - Aug 31, 2020. After the loan closing on the home, Coventry Homes or Plantation Homes will pay $3,000 ("Electric Credit") to the homebuyer's electricity service provider. The homebuyer must use TXU, Grayson County Co-op, United Co-op, CoServ, Farmer Electric Co-op, and Reliant. only. Only one electric service provider may be available. The prepayment amount is based on calculations for the estimated annual energy usage for a two story home with 3000 – 3200 square foot of air-conditioned space. All calculations are estimates and are not guarantees that the actual amount of energy used and the associated cost for 2-years will be equal to the Electric Credit provided. Other terms and conditions may apply. See the Community Sales Counselor for more details. MHI-H-14050
